

# Colin the Raven

*Start with the chorus:*

A G D A  
Colin has feathers, and all of them black  
A G D A  
Wings to fly far and to carry him back  
A G D A  
Colin has eyes of a beautiful brown  
Bm E  
And he looks down to you on the ground  
Bm E  
And he calls out to you with this sound (Croak! Croak!)

G D A  
Fly with me!  
G D A  
Fly with me!  
G A D G D  
Come fly in the sky with me—e—e

*Now these two verses, with no chorus between them:*

D G A D  
Colin, oh Colin, where did you come from  
D G A D  
Who was your father, and who was your mum  
D G A D  
You couldn't remember the tumbling game  
G A  
Or even your very own name  
G A D  
Or even your very own name  
  
D G A D  
But Colin grew wiser and Colin grew strong  
D G A D  
He flew very high and he flew very long  
D G A D  
He found all the answers he'd been searching for  
G A  
And he found out very much more  
G A D  
He found out very much more

*Now the chorus, and repeat the second part of it ("Fly with me!"),  
ending with a loud "Rawk-a-taw!"*
